

Angels in the Arena lands in Hempstead, Texas and takes the ministry worldwide to Belize!!!

After several years of traveling around the country and internationally, The Lord has brought the Foundation Home. As you know Tracy joined forces with Bobby Gibrant and he has ac-

quired a property that was used for illegal activity from the Marshall's Office. Back in December, Bobby was awakened by the Lord and He lead him to this property while he resided in Dallas, Texas. Well through many obstacles, including working with the Attorney General's office, in May of 2022 the property was finally back into the Kingdom. This property has a home/event center, a barn that can house 14 stables and a 33,000 square foot covered arena with stadium seating. We joke and say instead of a swing set, what do you get a pastor and an evangelist on a property? You get them their very own Stadium to do whatever God tells them to do.

We acquired our first horse named Star who now has a buddy named Shiloh. His name means "Morning Star" and hers means "Heavenly Peace." They both are a gift straight from Heaven and have been hard at work with the newly founded Holy Spirit Led Equestrian Fellowship program. Tracy, Bobby and

their team will be equipping believers not only how to operate in their lives in fellowship with the Holy

Spirit, but also in the arena with horses demonstrating the Power of God and His Glory. This is what Tracy experienced over the past decade after finding herself a widow at 43, with a 6-year-old son, walking out of their own tragedy. She gives the Lord all of the glory as He waltzed her through it all.

Bobby has been preaching everywhere he is led that Jesus is the fixer through the Power of the Holy Spirit and we are the undershepherds, the helpers. We aren't the fixers!! Think about that for a second. It takes all the pressure off of us and frees us to sow the very seed of the Word of God into the lives of everyone that is before us. We are all called to minister to those He brings in front of us. Which brings me to the next point and mission that has been set before us.

We are to disciple, which in Bobby's words, is a disciplined relationship with the Holy Spirit, our Lord Jesus Christ and our Father God. Our job is to help those who are in need of healing, knowing and understanding the Gospel and the love of Jesus Christ. Then depositing The Word into their hearts and empowering each individual so they can learn how to operate in this world with the power and victory of the Gospel. How do we do that?

We make them Fishermen! For example, we just traveled abroad to Belize. We were invited to minister to some incredible people that have been born into some really extreme conditions. We prayed and Bobby operated in the gifts, talents and power of the Holy

Spirit through the authority of Jesus Christ and many hearts, bodies and souls were healed. Let's just say people were coming from the North, South, East and

West asking for the white man of God to please pray for them. This is good, but while we were there, we handed out our worksheet titled the Promises and Blessings of our Father God and taught them how they can speak God's Word and activate it in their lives. Just like God said in Genesis Chapter One when He spoke forth the very

creation of the earth, you and I are also creative beings made in His own image to change the very trajectory of our very lives. God said you shall come into trials and tribulations but He said be of good cheer because I have overcome the world. One of the leaders named Lacho, that heads up one of the Villages, was very touched. He told us that while we were there, the women we prayed over have experienced peace and joy where it was once anxiety and fear. He said it is priceless and He cannot wait for us to come back. We taught them how to not wait for a fisherman to bring the fish

to them but to become their own fisherman by catching their own fish by speaking forth The Word. Hallelujah!!

Holy Spirit Led Equestrian Fellow-

ship is a discipline on how to be in good relationship with the most important relationship we could have here on this Earth; the one with our Lord and Savior, our Father God and the Holy Spirit. Our Goal is to equip as many saints and facilitators to help bring this movement to victory for the kingdom. Most of us don't even know how to have a good relationship on this earth and we use the horses in the arena to bring forth whatever the Holy Spirit wants with each and every child of God that enters and is brave enough to face. With all cell phones removed and a 1200 pound

horse in their presence, let's just say that all senses are heightened and transformation happens every time because we are in the presence of God

Now the Lord is the Spirit, and where the Spirit of the Lord is, there is Freedom or Liberty. 2 Corinthians 3:17.

There is lots of work to be done. We need your help. We are a non-Profit 501(C)3 and every dollar matters. We pray that the Lord leads you to choose to partner with us. There will be many announcements coming here in the near future with more details of our partner program and anyone who currently is sowing is grandfathered into this fellowship.

"Again, the Kingdom of Heaven is like a fishing net that was thrown into the water and caught fish of every kind. When the net was full, they dragged it up onto the shore, sat down, and sorted the good fish into crates, but threw the bad ones away. That is the way it will be at the end of the world. The angels will come and separate the wicked people from the righteous, throwing the wicked into the fiery furnace, where there will be weeping and gnashing of teeth. Do you understand all these things?" – Matthew 13:47-51

Pray about supporting the Team at Angels in the Arena! The property was stripped by the previous owners and many repairs are needed to equip it to become the rich garden for millions of souls to be touched personally, not only here at the property, but as well through our live broadcast and television programs. Also pray for laborers and volunteers to come to help in every area. We are excited to bring victory to this land for our Father God. We proclaim victory in Jesus' name.

Without you none of this will be possible!
